coral bin

090102-1b_40

Coral bin's elegant form changes the way we think about vessels for waste management. Designed to compliment the Coral collection, its streamlined design means that cleaning is simple and quick. The elegant Coral bin comes with a 40 litre bin liner and removable lids that can be custom coloured for waste types such as red for general and yellow for recyclables. Suited to both indoor and outdoor environments Coral is made from UV durable and recyclable polyethylene plastic.
