wave clothes rack

030805-2

The Wave Clothes Rack is an inventive new space-saving rack that reconsiders the protruding stabilising legs of conventional clothes racks. The simple fluid line of the base contrasts elegantly with the vertical and horizontal rail, forming a gracefully dancing ribbon of steel.

Made from stainless steel tube and easily assembled in a matter of minutes without the need for tools, the *Wave Clothes Rack* can be beautifully complemented by the *Wave Clothes Hanger*, making it ideally suited to elegant hotels, office receptions and the contemporary home where style is important.
