pinch low table

060904-5_60|75|90

Pinch Low Table is part of the *Pinch* family, carrying forward the same distinctive cruciform base that gives the *Pinch* stool its unmistakable character. A magically simple occasional table for children's play, relaxed living and everyday use, it pairs a durable compact laminate top with a sculptural polyethylene base. Available in a range of base colours and table tops, *Pinch Low Table* is the answer when simplicity is required.
