sunray lounge

080301-1

Sunray is a blissful lounge designed specifically for relaxation, perfectly suited to the antipodean 'bronzed Aussie' ethos. Inspired by the languid form of the manta ray, *Sunray* is ergonomically engineered to maximise comfort while exuding effortless luxury. Ideal for hedonistic poolside environments, *Sunray* is made from 100% recyclable plastic to withstand the elements and can be conveniently stacked away when required.
