chuckel stool

080910 -1

Chuckel is an elegant yet playful stool that suits a variety of environments. Lightweight, easy to move and above all comfortable, it effortlessly adapts to changing spaces and lifestyles. Adaptable to both indoor and outdoor environments, *Chuckel* is fabricated from UV-resistant, recyclable polyethylene. Bringing together function, beauty and spirit, *Chuckel* is a dynamic and versatile addition to any setting. *Chuckel*, a little bit of the outdoors... a whole lot of fun.
